

Supplies:

1 sheet foam for tie - any color
Decorations
Glue

1. Cut out 2 tie patterns from foam
2. Cut out a space for your picture (see below)
3. Cut a slit in the other piece of foam the width of the picture so when finished you can slide the picture into the space.
4. Glue the pieces together along the edge.

Embellishment ideas

Spell Dad or his name along the tie
Glue yarn or trim along the edge to trim
Decorate with his favorite things
